SECRETARIAT
G.O.No. Fi. 2139
1. 1937

(16) The Senior Surgeon was asked to suggest reduction of the rates of personal absorbable allowances that are now granted to Assistant Surgeons with certain foreign qualifications. While suggesting reduction in two cases, he has also proposed allowances in new cases for certain qualifications for which allowances are not now being given, without giving any reasons therefor. These newly proposed allowances may be omitted now and may be considered separately if necessary. For the present, the Senior Surgeon's proposal to reduce the allowance from Rs.150 to Rs.100 for F.R.C.S. qualification and from Rs.75 to Rs.50 for D.O. qualification may be accepted without prejudice to the general view of the Retrenchment Committee.

(17) As regards the grant of these allowances, it is seen from the files put up that such allowances

Serial No.

allowances are not given in Madras to officers possessing foreign qualifications and those trained in special branches of work are only appointed to posts which require special knowledge and which carry special rates of pay. While the number of such posts with special rates of pay can only be limited, our system of granting allowances to any number of persons coming with the prescribed foreign qualifications without reference to the special posts or charges, results in the expenditure in the form of allowances mounting up, especially now when the number of such officers is increasing rapidly. It is therefore for consideration whether the total number of allowances should not be limited by fixing a maximum for each of the special qualifications for which an allowance is to be given

20) Coming to the case of Mr.K.Krishna Rao, it is seen that he is an M.R.C.P.(Edinburgh) and D.L.O.(England). Under the G.O. dated 22-8-1927 an allowance is contemplated only for an M.R.C.P. of London and not for an M.R.C.P. of Edinburgh, ~~and none for D.L.O.~~ The Senior Surgeon in his letter dated 6-2-1937 (P.U.D.II), has also included only M.R.C.P.(London), and not M.R.C.P.(Edin). So

WD 0417—GPE—30,000—8-9-36

Representation of Mr.K.Krishna Rao, Asst. Surgeon for
D3527. the grant of an allowance.

File No. Med 177 of 1936 | General and Revenue Secretariat

Serial No. Jl2139

So an allowance is not admissible for this examination.

As regards the D.L.O., it is not an examination included in the Government Order No.G.1993/Med.1-27-1 dated the 22nd. August 1927, and it is proposed to be newly included by the Senior Surgeon now, and about this, I have already suggested that these additions have to be separately examined and justified before giving the benefit of the same in individual cases.

OFFICE OF THE SECOND MEMBER OF COUNCIL. 20 MAR 1937 No 7468

21) The proposal to give an allowance on an old analogy (of 1930) and not under the rules is not therefore acceptable. The force of analogy loses itself as time goes on and no such encouragement seems necessary now as many persons have been obtaining these qualifications and particularly in a case when the officer has had the training at Government cost.

22) The principle of giving such allce has been accepted. The proposals of the Sr S.M. seem reasonable and may be appd. The Madras analogy cannot apply in all respects. 16/4/37

Secd Member

(23) The opinions of Dr B.K. Narayanadas and Dr Robinson may be obtained as to the scale of allowances that may be given in future. In the present case, an allowance

DEWAN'S OFFICE 1937 No. 5229

Final Note by the Second Member of Council.

Subject.—

Grant of an allowance to Mr. K. Krishna Rao, Assistant Surgeon, in view of his foreign qualifications.

In November 1936, the Senior Surgeon forwarded a representation, received through and with the support of the Medical Officer, Krishnarajendra Hospital, Mysore, from Mr.K.Krishna Rao Assistant Surgeon, praying for the grant of a suitable allowance in view of his foreign qualifications, as noted in the margin, and recommended that a personal absorbable allowance of Rs.100 per mensem may be granted to him on the basis of allowances sanctioned to Medical officers with similar foreign qualifications.

D.L.O. of England,
M.R.C.P.(Edinburgh)
F.R.F.P.S.(Glasgow)

The Financial Secretary who was consulted in the matter is of the opinion that the grant of the allowance is not acceptable, as the officer was granted a Damodar Das scholarship and as the Retrenchment Committee in 1931 recommended the discontinuance of such allowances, and stated that if it is considered absolutely necessary to give him an allowance, it may be fixed on a reduced scale as nowadays there is no dearth of persons with European qualifications.

I agree with the Financial Secretary that it is desirable to adopt a reduced scale of allowances and this matter will be further examined and necessary proposals formulated in consultation with Dr. Robinson and the present acting Senior Surgeon.

I also minuted that in the present case a personal absorbable allowance of Rs.75 per mensem may be sanctioned. This proposal is agreed to by the Dewan and the First Member of Council.

I solicit gracious approval of His Highness to the proposal.

N. Madhava Rao

Final Note by the Second Member of Council.

Subject.—

Proposals in regard to the grant of personal allowances to Medical Officers who obtain foreign qualifications.

With the gracious approval of His Highness, a scale of allowances was fixed in the Government Order dated 22nd August 1927, for officers of the Medical Department, who returned from Europe or America, after undergoing special training and acquiring special qualifications.

In view of the Financial Secretary's opinion that a reduced scale of allowances might be fixed in the case of such officers as their number is on the increase, I proposed in my Final Note dated 21st May 1937 to have this question examined. The Senior Surgeon, who was consulted in the matter, has proposed the following scales of allowances:-

1.	L.R.C.P. and M.R.C.S. of England	Nil
2.	D.O.	Rs.50 per mensem
3.	M.R.C.P. (London)	Rs.100 " "
4.	F.R.C.S. (England)	
5.	D.L.O.	
6.	D.M.R.E.	Rs.50 " "
7.	T.D.D.	
8.	D.C.H.	
9.	M.D. or M.S. of English and Indian Universities.	Rs.100 " "

The opinions of Dr. Robinson and of Mr. B.K. Narayana Rao (who was then the acting Senior Surgeon) were also obtained in the matter. A statement showing the proposals is attached. This question was discussed at a meeting of the Council held on 23rd September 1937 and the following resolution was recorded:-

Flag O

Page 20 of the notes

"The rates of allowances as recommended by Dr. Subba Rao in respect of items 1,2,3,5,6,7 and 8 may be approved. The allowance to an F.R.C.S. may be fixed at Rs.125. No allowance need be given to an M.D. or M.S. of an English or Indian University".

The resolution of the Council may be graciously approved.

GENERAL SECRETARIAT
20 NOV. 1936

From

Med. 177-36-1

Sastravaidya Pravina
S. SUBBA RAO, Esq., B.A., M.B.C.M., M.R.C.S., (Eng.) L.R.C.P., D.P.H.,
Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to forward herewith the representation in original, received from Mr.K.Krishna Rao, Assistant Surgeon, requesting that he may be granted a suitable allowance in view of the foreign qualifications he has obtained, and to state that Mr.Krishna Rao has obtained the D.L.O. of England as also the M.R.C.P. of Edinburgh and F.R.F.P.S. of Glasgow. He has been posted to the charge of the Ear, Nose and Throat Department of Krishnarajendra Hospital, Mysore (please vide G.O.No.G.1830-163-36-2 dated 14-9-1936).

I may note that Mr.Krishna Rao has undergone an in course of training in Venereology and has taken this as his special subject both for the M.R.C.P. and F.R.F.P.S. examinations. His services may also be utilised to organise a Venereal Clinic in the Krishnarajendra Hospital, the clinic being held on two afternoons in the week.

Dr.Robinson in forwarding the representation notes that Mr.Krishna Rao is efficient in his work and that he deserves encouragement. Officers who return with the D.L.O. and M.R.C.P. qualifications were in the past granted allowances of Rs.75 and Rs.100 per mensem respectively (please vide G.O.Nos. 9823 37-8/mms 2-3-30 dated 4-2-1931 and A 5942 12-3/mms ~~dated~~ 1414-29-4 dated 8-2-1930) and as Mr.Krishna Rao has obtained both these qualifications, he is entitled to the higher of the two allowances. In these circumstances, I recommend the case as meriting the grant of a personal absorbable allowance of Rs.100/- per mensem.

As regards his position in the list of Assistant Surgeons, it may be mentioned that the cases of the five officers who have

have superseded Mr.Krishna Rao referred in his representation, are those of Messrs. M.S.Mehkri, R.Nagendran, M.V.Govindaswamy and B.Balakrishna Rao and S.C.Misra. The position and rank of every one of these officers have been considered on their own merits and Government have passed final orders fixing their grade pay and position. I do not think the request of Mr.Krishna Rao for being assigned a higher place calls for any special consideration.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon.

To

The Senior Surgeon

with the Government of Mysore,

Bangalore.

Through

The Medical Officer,
Krishnarajendra Hospital,
Mysore.

Sir,

I beg permission to place the following facts for your sympathetic consideration.

1. As you are aware, Sir, I was granted leave (4 months privilege leave and 1 year and 8 months leave without allowances) to enable me to go abroad for study in advanced medicine. Accordingly, I proceeded to Edinburgh and joined the Venereal Clinic of the Royal Infirmary where I studied under Dr. David Lees, Dr. Batchelor and Dr. Robert Lees for twelve months at the end of which I appeared for the M.R.C.P. examination with Venereology as my special subject and was declared to be eligible for the membership of the Royal College of Physicians, Edinburgh. Later, I appeared successfully at the F.R.F.P.S. examination of Glasgow, offering again Venereology as the special subject.

2. In September 1934, you were kind enough to inform me that the Government of Mysore were pleased to award me a Damodardas Scholarship to enable me to qualify myself for the Diploma in Laryngology and Otology. In obedience to the order conveyed through your letter No.C.2288-8 dated Bangalore,

3-9-1934, I went over to London and gained the Central London Ear, Nose and Throat Hospital. After completing the course in that Hospital, I obtained the Diploma.

3. Further, I beg to bring to your kind notice that I spent nearly three months in Vienna where I learnt operative technique first on Cadavers and later, on patients in the Clinic. While in Vienna, I underwent a course of practical instruction in Endoscopy under the direct supervision of Dozent Hazlinger.

4. Before I left this country for study, one of my colleagues in the Department superseded me as he had qualified himself abroad and during the period I was away, I was unlucky enough to have had five members placed above me.

5. Further, I beg to inform you that I have had to incur debts to the extent of Rs.7000 to qualify myself for M.R.C.P. and to maintain my family in Mysore during the period I was away from home.

In view of the training I have had, I beg to request you, Sir, to be so kind as to restore my place in the Departmental cadre and to grant me such allowance as may be permissible.

I am enclosing herein copies of testimonials from Dr. McLaggam, and Dr. Kisch of the Central London Hospital, Dozent Wessely and Dozent Hazlinger of the Hajeck Clinic in Vienna and Dr. R.C.L. Batchelor and Dr. Robert Lees of the Venereal Clinic, Royal Infirmary, Edinburgh in support of my application.

I beg to temain,
Sir,
Your most obedient servant,
K. KrishnaRao.
Asst. Surgeon.

15th July, 1936.

Dr. K. Krishna Rao has attended my clinic at the Central London Throat Nose and Ear Hospital for over a year. During that time he has put in a great deal of work and has become expert in the diagnosis and treatment of diseases of the ear, nose and throat. I have formed a high opinion of his abilities, and this opinion is confirmed by the fact that he has successfully passed the examination for the diploma in laryngology and otology. I wish him every success.

Es wird hiemit bestatigt, dass Herr Dr.K.Krishna Rao aus Mysore, Indien in der Zeit vom 27 Dezember 1935 bis 10 Febr. 1936 in Ambulatorium der laryngologischen Station als Hospitant gearbeitet hat.

Der genannte Herr hatte in dieser Zeit reichlich Gelegenheit sich in Diagnose und Therapie der Erkrankungen von Hals und Nase entsprechend der Zeit auszubilden und eine anzahl - Operationen des spezialfaches zur Zufriedenheit auszufuhren.

Wien am 27 Februar 1936.

Sd/ Doz Wessely.

(Translation)

This is to certify that Dr.K.Krishna Rao of Mysore, India has worked in the Ambulation of the Laryngeal Department as a student from 27th December 1935 to 10th February 1936.

The gentleman named above had in this period plenty of opportunity to diagnose and treat the diseases of Throat and Nose and has done a number of operations pertaining to this special branch quite satisfactorily.

University of Edinburgh.

16th January, 1935.

Dr. K. KRISHNA RAO has attended in the Edinburgh corporation and Royal Infirmary Department of Venereal Diseases for a year since the 8th January 1934. During this period he has had ample opportunity to become thoroughly acquainted with the modern technique used in the diagnosis and treatment of Venereal Diseases, and I have noticed that he has taken a keen interest in the subject and has availed himself of the unique facilities which this department offers for an intensive post-graduate study of the many problems presented by venereal diseases.

I have formed the impression that Dr. RAO is conscientious hard-working, and intelligent, and I know that he has taken pains to prepare himself for one of the higher post-graduate degrees.

diseases scheme, etc.

Tel.26816

Lansdowne Crescent,
Edinburgh, 12.

18th May 1935.

I have pleasure in certifying that Dr. K. Krishna Rao has worked in the Venereal Diseases Department, Edinburgh Royal Infirmary, for about one year, since January 1934. During this time Dr. Rao attended the out-patient and In-patient Departments and observed all recent methods of diagnosis and treatment practised in this department. In addition Dr. Rao attended the departments dealing with subjects allied to Venereal Disease e.g. Bacteriology, Radiology and Dermatology, in addition to working in the medical wards. Dr. Rao also attended Post Graduate lectures which were given during August and September 1934.

The high standard of Dr. Rao's work is certified by the fact that he passed the examinations for the M.R.C.P. (Edinr) professing Venereal Diseases as a special subject.

Dr. Rao was a conscientious and assiduous student. His personality is pleasant, and I am convinced that he will prove an able medical officer to deal with cases of Venereal Disease.

(Signed) Robert Lees.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No. G 52108

Bangalore, Dated, 20th January 1937
219-

From

The *General Secretary to the Government of His Highness the Maharaja of Mysore.*

To

The Senior Surgeon in Mysore,
Bangalore.

Sir,

With reference to your letter No.C.1170-1 dated 20th November 1936 about the grant of an absorbable personal allowance to Mr.K. Krishna Rao, Assistant Surgeon, in respect of his foreign qualifications, I am directed to state that in view of the recommendation of the retrenchment Committee of 1931 that the practice of giving personal allowances to officers returning with European qualifications should be abolished; Government consider it advisible to reduce the allowances given in such cases especially when there is no dearth of such qualified men. I am therefore to request you to propose a reduced scale for adoption.

I have the honour to be,

Sir,

Your most obedient servant,

20.1.37

General Secretary to Government.

To,

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

GENERAL SECRETARY 8 FEB 1937

Sir,

With reference to your letter No. G. 5103/med. 177-36-2 dated 21st January 1937 requesting me to propose a reduced scale of personal allowances to be granted to officers who obtain higher qualifications, I have the honor to state that as already explained in the un-official note no. 15 dated 4th June 1927 (Pleas vide G.O. No. G. 1993-med.1-27-1 dated 23rd August 1937), in Madras, officers who qualify for special branches of work such ass Mental diseases, Bio-Chemistry etc., are appointed to posts which require the application of such special knowledge and which are assigned a higher scale of pay. In view of the fact that no seperate grades for such specialists were considered desirable in Mysore, the expedient of granting personal allowances was adopted. A glance at the scale of allowances at present in force shows that the allowances are by no means excessive and that a lowering of the rates would take away the only incentive that exists for our young graduates pursuing higher courses of study at their own cost. The matter is one which invoves the risk of perpetuating mediocrity and lowering the standard of work in the Hospitals. I would therefore urge that the schedule already approved be allowed to stand.

If however, a reductinn in the allowance should be considered absolutely necessary, I mention the following:-

Diplomas such as:-

D.O.,
D.L.O.,
D.M.R.E.,
T.D.D. &c

Rs 50 per mensem.

T.D.D.
D.C.H. } .....Rs 50 per mensem.

Degrees or Fellowship.

M.R.C.P. of London } Rs 100 per mensem — no change
F.R.C.S. of England - do-
M.D. or M.S. of English or Indian Universities. -do-

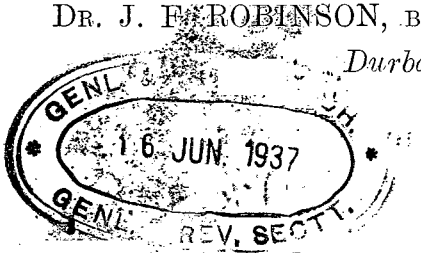
DR. J. F. ROBINSON, B.A., M.D., F.A.C.S., F.R.C.S.E.,
Durbar Surgeon and Medical Officer,
Krishnarajendra Hospital, Mysore



To

The General Secretary to Govt. of H. H. the
Maharaja of Mysore,
General & Revenue Secretariat,
B a n g a l o r e.

Sir,

In reply to your letter No.G.9775-6 Med.177-36-5 dated 8th June 1937, I have the honour to state that in general the new allowances proposed are acceptable.

I would suggest however that allowance for the F.R.C.S. be kept at Rs.150/-.

Regarding D.M.R.E. of Cambridge, it is a superior qualification, and should, I think, be given an allowance of Rs.75/- in the new scale.

May I take this occasion to point out, that Dr. C. Dwaraj, who is the only one in Southern India with

this qualification and who does most excellent work in this line, be given some concession as is done everywhere else, in the way of a percentage upon the fees collected?

I have the honour to be,
Sir,
Your most obedient servant,

DURBAR SURGEON & MEDICAL OFFICER.

Offg. Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No. G. 9775-6/med. 177-36-5 dated 8th June 1937, I have the honor to state that I looked up the previous correspondence on the subject and submit the following opinion:-

1. These foreign qualifications indicate disciplined study of some speciality or other for varying periods and some proof of acquirement of knowledge and skill in that speciality. Also they indicate that the candidate has presumably acquired that wider knowledge of and varied experience in scientific medical institutions which foreign travel alone is capable of giving to suitable young men in present Indian circumstances.

2. The capacity for public usefulness and to scientific eminence cannot be assessed by the consideration merely of the degrees possessed by the candidate. His antecedent academical carrer, his previous public service if any and other credentials deserve no less consideration. For example, two candidates possessing the D.O.M.S.-cannot always be assessed as equivalent for purposes of initial salary or some times even of substantial preferment- one may be a humdrum individual who after years of strugling might have acquired the specialist's qualification, while the other may be a really brilliant candidate. In the case of all the English Medical Diplomas and qualifications like the M.R.C.P., and F.R.C.S., there are no classes like First, Second and third to assess individuals better.

3. Conditional to bearing in mind the considerations stated above, I am of opinion that the allowances suggested in your letter are the minimum suitable except the following:-

a) For the qualification of L.M.(only in the case of Lady Medical Officers) Rs 50. It is necessary to encourage Lady Medical Officers to go for post-graduate study as more and more responsibilityes are being thrown on them in General, Maternity and Child Welfare work.

b) Item No. 4, The F.R.C.S. of England is well known to present the greatest difficulty and harshin

hardsip in passing to candidates both English and Indian. While the M.R.C.P. of London is the highest qualification available by examination for a physician, it is generally recognised that the study (clinical, practical and theory) for the F.R.C.S. of England is harder and more arduous as the following statement shows:-

	M.R.C.P. of London.	F.R.C.S. of England
1.	Must possess the preliminary qualifications of (a) L.R.C.P. and M.R.C.S. or (b) the registrable medical degree of a recognised University.	Same conditions with the additional stipulation in case of (b) that the candidate should have put in 4 years of professional work.
2.	Examination is held every three months i.e., 4 times a year.	Examination is held twice a year i.e., once in 6 months.
3.	No statutory obligatory House-Surgency demanded.	A certificate of having worked as a House-Surgeon for at least 6 months in a recognised Hospital put on the schedule is obligatory since 1934.
4.	Examination fees for (a) L.R.C.P., and M.R.C.S. £ 21. and (b) for others £ 42.	Higher fees:- £ 34-13sh. £ 55-13 sh.
5.	Must at least be 23 years of age when qualifying.	Must be at least 25 years of age when qualifying.
6.	Only one examination to be passed.	Two examinations a Primary F.R.C.S. and a Final F.R.C.S. to be passed.

It is very necessary if we are to improve our surgical services in Districts to anything like a modern satisfactory level, to encourage promising young men to go and acquire the discipline and training and experience required for these examinations and we should make it worth their while to do so. On these considerations, I think that the present level of allowances both for the M.R.C.P., and F.R.C.S., of England, namely Rs 100 and 150 respectively, are not at all high and might to be retained.

c). Item 9. M.D. and M.S. of English Universities are given only to Graduates (M.B.B.S.) of those Universities who have obtained their degrees by a stay of 5 or 6 years in England. Such cases have not come before Government nor is there any likelihood of any such coming before Government. The only two M.Ds of London employed by Government were given initial salaries of Rs 600+50 and 460+40 respectively. So, I think to make the rules really topical and practical- this mention of M.D. and M.S. of English Universities may be omitted as those cases have to be considered on their individual merits.

In the case of M.Ds and M.S'S of Indian Universities, due recognition is certainly necessary. On the consideration that though they may have had a good academic training, they have not had the additional undoubted advantages of a foreign experience, I am of opinion that the allowance may be kept at the level of Rs 75 in view also of the course being less expensive.

Finally, I might again mention that though these figures are only a rough guidance, each case might be considered on its merits from all aspects

Further, equity demands recognition of the reasonable cost in money to any candidate for obtaining these respective ~~qua~~ qualifications. The following seem to me to be the total cost of obtaining these qualifications by a more than average aspirant(fees, coaching, average time of stay etc.,) : -

1. English Diplomas of D.O., D.O.M.S., D.L.O., D. M.R.E., etc.,	About	Rs 6000/-
2. M.R.C.P. of London		Rs 9000/-
3 F.R.C.S. of England	About	Rs 13,000/-
4. M.D . and M.S. of Indian Universities.	"	Rs 2,500/-

I have the honor to be,

Sir,

Your most obedient servant,

P. Narayana Rao

Ag. Senior Surgeon. 14/6

Statement of personal allowances to Medical Officers returned from Europe with superior Qualifications.

Nature of qualification.	Allowances now sanctioned in the G.O.of 1927.	Reduced allowance proposed.		Remarks.
1. L.R.C.P. & M.R.C.S. of England.	1. Rs.50 per mensem in case of Lady Medical Officers.			
2. D.O. ~~LL.M.~~ and L.M.	2. Rs.75/- per mensem.	Rs.50/-		Proposed for D.O.only.
3. M.R.C.P.(London)	3. " 100/- -do-	" 100/-	100	No change.
4. F.R.C.S.,(England)	4. " 150/- -do-	" 100/-	150	
5. D.L.O.	Nil.	" 50/-	75	Items 5 to 10 are new for which no allowances are now sanctioned.
6. D.M.R.E.,	Nil.	" 50/-		
7. T.D.D.,	Nil.	" 50/-
